Re: SOS International, 21-CA-178096, et. al.

Dear Ms. Rothschild:

Please accept for filing the attached Joint Motion By Respondent and Charging Party to Vacate Administrative Law Judge's Decision. This motion is not opposed by the General Counsel.

This motion is based on a global settlement agreement between Respondent and Charging Party, which has resolved not only all matters that were pending before the Board, but class action wage-hour litigation under federal and California law. Respondent further notes that while this settlement agreement was going through the federal court approval process, the Board issued its decision in *Supershuttle DFW, Inc.*, 367 NLRB No. 75 (2019), which altered the decisional law regarding the appropriate test for determining whether one is an independent contractor.

Best regards,
